2019 Ladies Golf League

- League play starts **Monday**, May 6 and ends Monday, September 23
- All players should be at the course by 8:30 for the “ball drop” to determine foursomes
- Ladies League Green Fees are \$13 for 9 holes and \$18 for 18 holes with a cart
- If you already have an established IWGA handicap from another course, you will not need to pay the additional \$25 fee to establish your handicap again
- League Information will be posted to Bulletin Board In Pro-Shop ladies room
- Chicago Golf Tournament will be hosted each week, and rewarded \$\$ at season’s end. *Chicago style golf format rewards competitors for great play on individual holes and not just for their total scores in a round. It also has a unique way of taking the handicap difference among players into account in the scoring formula, giving players of varying abilities the opportunity to compete against one another. golftips.golfweek.com*
- Birdies and Chip-ins will be tracked and rewarded \$\$ at season’s end
- Golf Pro will determine if course is being played in winter or summer rules. (if ball can or can not be rolled-over)
- Limit your search for lost balls to no more than 3 minutes. When a ball is lost hit your shot first and then help look for your partner’s lost ball.
- Park your cart on the side nearest the next tee
- On the green, begin reading and lining up your putt so that you are prepared when it is your turn. A player may continue putting until she holes out.
- Write down your score when you reach the next tee
- Use the 8 stroke rule. If you have taken 8 strokes and you’re not on the green, pick up your golf ball and place it on the front of the green. Pick up after a total of 10. Circle score on the card when you use the 8/10 stroke rule
- If you are unable to play on Monday at 9, you may play with another league member sometime during the same week and submit your scorecard for the weekly tournament
- Learn and practice the rules and etiquette of the sport
